

## St. Clair High School Yearbook

Dear Class of 2022 Senior,

***This letter contains important information regarding the requirements for your yearbook senior portrait...***

I am pleased to announce that Prestige Portraits by Lifetouch is the official portrait photographer for our school yearbook. We made the selection based on strict criteria including quality, price, and customer service; a variety of settings and backgrounds and props.

Remember that Prestige Portraits is our official photographer and supports our school with valuable services including portraits for the homecoming dance and the prom.

I highly encourage each of you to be photographed by Prestige Portraits. Prestige has our yearbook specifications and will automatically deliver the proper pose and background image for use in the yearbook. This will eliminate any confusion that may arise by going to someone other than Prestige. Another reason to choose Prestige is that the class composite is included with every sitting. This may not seem important now, but will be invaluable to you tomorrow. Every senior photographed by Prestige will receive a color copy of the class composite.

Pictures from other studios may be included in the yearbook and class composite only if they meet the specifications established by the yearbook and Prestige Portraits. If you choose to be photographed by another studio, **please take this letter with you so that the proper specifications can be met.**

### **Yearbook Pose Specifications:**

- **Professional digital images only!**
- A **minimum** of 300dpi
- **Print size-1.5 inches by 2 inches**, with a **head size of 1 inch from top of hair to bottom of chin**. Also, **pose must be a head and shoulder shot only**, and **MUST be a plain blue background!**
- **No props, hats or bandanas, no amateur digital photography, no scanned photos, no black and white photos, and no I.D. photos.**
- **Failure to meet these specifications will result in exclusion from the yearbook.**

### **Composite Pose Specifications:**

- **All yearbook specifications as detailed above apply to the composite pose as well.**
- **Deliver composite image as a print or on CD to the main office at St. Clair H.S., along with a studio release no later than Friday, January 28, 2022.**

Take advantage of the special opportunities that Prestige is offering and be photographed early. Deadlines sneak up on us quickly and I want to be sure everyone has time to be photographed and appear in our important publication. The **last day to be photographed by Prestige** and appear in the book is **December 2, 2021**. **All senior pictures must be turned in by December 17, 2021.**

Please call Prestige Portraits of Shelby Twp. at (586) 532-9300 to schedule your appointment. This year, Prestige has reserved special environmental photography dates for St. Clair seniors only!
