TRANSPORTATION REQUEST FORM

Board Policy provides for transportation services to all eligible students attending the school serviced within their attendance boundary. **Board Policy does not allow bus transportation for In-District School of Choice and County School of Choice students; parents will be responsible for transporting school of choice students to and from school.** We understand that not all students who are eligible for Transportation Services choose to take advantage of those services; therefore, in order to create the most efficient bus routes, it is critical for us to know which eligible students will be riding the bus. **Please complete the form below and return to Transportation. If we do not receive a form, you will not be scheduled to receive Transportation Services. If your transportation requirements change during the year, please notify us by submitting an alternate bus stop form each school year the exception is requested.** Alternate bus stop forms can be found on the East China website.

NOTE: SCHOOL OF CHOICE & IN-DISTRICT TRANSFER STUDENTS are responsible for their own transportation.
